

## Project Fact Sheet

### Why?

We're aiming to shine a light for tolerance, against hatred, hate speech and racism.

### What?

We'll produce a collection of songs which are all inspired by the same core song idea.

### How?

The core song idea will be sent on discrete journeys to international musicians around the world. The receiving musicians create something new from it and pass it on.

### Who?

This is a project by American drummer Jerry Marotta ([jerrymarotta.com](http://jerrymarotta.com)) and German Songwriter Alex Sebastian ([alexsebastian.de](http://alexsebastian.de)).

### Who benefits?

50% of the intake by Crowdfunding will be donated to Amnesty International.
